**GEN. GILCHRIST FOR GOVERNOR****PROGNOSTICATION OF PUNTA GORDA HERALD MAY PROVE CORRECT FOUR YEARS HENCE.**

The Jacksonville Metropolis says editorially: Commenting upon the election of Hon. Albert Gilchrist as speaker of the house of representatives, the Punta Gorda Herald (the home organ of the distinguished gentleman) says that "only one speaker in the past decade has been elected governor, and he was Hon. W. S. Jennings. Others who have gone no higher than the speakership, and, in fact, have apparently made no effort to go higher, are: Hons. J. R. Johnson of Pasco; Robert McNamee, of Hillsborough; J. W. Watson, of Osceola, and Cromwell Gibbons, of Duval. Considering the cases of these gentlemen, we may not conclude that Gen. Gilchrist's victory is the culmination of the first campaign for the gubernatorial nomination in 1908, and yet it seems that he so intended it. If the legislative supporters understood this to be his design, and there is reason to believe that they do so, understand it, then General Gilchrist has received a strong endorsement for the governorship in 1908."

Four years is a long time to wait for the culmination of political events but the Herald's prognostication may prove correct. Speaker Gilchrist may or may not win favors as speaker, and this position may, in a measure, have much to do with his future. The speaker is today a very popular man, and he has a chance to win more esteem, but at the same time one blunder might spoil his political hopes. The Herald also thinks that Gen. Gilchrist's opposition to the payment of the Wales claim may advance his (Gilchrist's) cause, and that his election as speaker was an endorsement of this opposition. The Herald further says:

General Gilchrist's victory may further be interpreted as auguring liberal appropriations for the various state colleges and general encouragement to the cause of education as well as to the movement for good roads, for reform in our criminal jurisprudence, for an improvement in our facilities for inducing immigration and for many other things tending to the development and welfare of Florida. This is a winning platform, as the people favor all such measures.

section of the state to come to Tallahassee not only to assist in this work, but to examine the object lesson road now being constructed, and which will be finished by that date. It is the duty of every citizen who can possibly do so to visit Tallahassee during the session of the legislature, get and give information. Then there will be a reduced rate over all the transportation lines. You are invited. Yours, A. S. MANN, State Organizer.

**"THE OLD SCRATCH."**

How the Evil One Came to be Popularly Known as "The Old Scratch." One of the many familiar names for his satanic majesty is "The Old Scratch." It is undoubtedly due to the fact that scratching is so disagreeable that people thought it no worse than the evil one. A scalp full of dandruff keeps one scratching all the time; not only disagreeable but considered very inelegant in polite society—as it should be—because one ought to keep the scalp so clean that it would not itch. To cure the scalp of dandruff effectively, use Newbro's Herpicide. It kills the germ that creates the dandruff, which is preliminary to falling hair, and, finally baldness. No other hair preparation kills the dandruff germ. Herpicide also is a very delightful and effective hair-dressing. Sold by leading druggists. For sale by W. A. D'Alemberte, druggist and apothecary, 121 S. Palafox. Send 10 cents in stamps for sample to The Herpicide Company, Detroit, Mich.

**SHOE PERFECTION**

So many of the defects in shoes, such as breaking down of box toes and heel counters, ripping of stitching, etc., which prove a constant source of annoyance, as well as a detriment to the shoe, result from lack of proper attention to the details of construction.

**Thousands of Women ARE MADE WELL AND STRONG****Success of Lydia E. Pinkham's Vegetable Compound Rests Upon the Fact that It Really Does Make Sick Women Well**

Thousands upon thousands of American women have been restored to health by Lydia E. Pinkham's Vegetable Compound. Their letters are on file in Mrs. Pinkham's office, and prove this statement to be a fact and not a mere boast.

Overshadowing indeed is the success of this great medicine, and compared with it all other medicines and treatment for women are experiments. Why has Lydia E. Pinkham's Vegetable Compound accomplished its widespread results for good?

Why has it lived and thrived and done its glorious work for a quarter of a century? Simply and surely because of its sterling worth. The reason no other medicine has even approached its success is plainly and positively because there is no other medicine in the world so good for women's ills.

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womanhood is not because it is a stimulant—not because it is a palliative, but simply because it is the most wonderful tonic and reconstructive ever discovered to act directly upon the uterine system, positively curing disease and displacements and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures, and physicians who have recognized the virtue in Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due. If physicians dared to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female ills, as they know by experience that it will effect a cure.

Women who are troubled with painful or irregular menstruation, backache, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration, or the blues, should take immediate action to ward off the serious consequences and be restored to health and strength by taking Lydia E. Pinkham's Vegetable Compound. Anyway, write to Mrs. Pinkham, Lynn, Mass., for advice. It's free and always helpful.

**A WARM TIME IN SHOE CIRCLES**

**SPECIAL REPRESENTATIVE OF THE W. L. DOUGLAS SHOE CO., DOES NOT FIND THINGS TO LIKING HERE.**

Somewhat of a stir amongst local shoe dealers was caused yesterday by the arrival in Pensacola of J. B. Thomas, special agent of the W. L. Douglas Shoe Co., who came here to investigate the report that certain dealers, other than the company's authorized agent, were advertising and selling the shoes in this city.

There is but one authorized agent for the W. L. Douglas shoe in Pensacola and that is John White, the clothier and furnisher, but Mr. Thomas says he located several stores which were selling the shoes. Mr. Thomas says these shoes were from a damaged stock that the dealers picked up somewhere, probably in New York, as they can not buy the Douglas shoe direct from the company or from any other responsible house.

"We have only one agent in Pensacola," said Mr. Thomas last night, "and that is John White. These other dealers have no business to advertise our shoes and the shoes they are selling are simply a part of a damaged stock. I want the public to know this and I also want the shoe dealers to know that they are advertising the Douglas shoe at their own risk. They could not buy the shoe from us, and we intend to protect Mr. White, our agent, from this way of doing business."

Mr. Thomas says he will be in the city for several days, or until he gets the shoe situation here straightened up to his satisfaction.

Full of Tragic Meaning. are these lines from J. H. Simmons, of Casey, Ia. Think what might have resulted from this terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough, that disturbed my night's rest. I tried everything, but nothing would relieve it, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which completely cured me." Instantly relieves and permanently cures all throat and lung diseases: prevents grip and pneumonia. At all druggists; guaranteed; 50c and \$1. Trial bottle free.

**TO OBTAIN LABOR FOR THE SOUTH**

AGENT OF STATE OF SOUTH CAROLINA HAS OPENED OFFICES IN NEW YORK.

By Associated Press. New York, April 19.—An office has been established here by the state of South Carolina for the purpose of obtaining its share of this city's surplus labor. Colonel E. S. Walton, state commissioner of immigration, formally opened the headquarters.

"We are looking not alone to the rehabilitation of agriculture in South Carolina," he said, "but to the broader mineral field in which we have valuable properties. We are offering good investment for capital, and the state is seeing that they are safe. We are likewise offering good lands cheaply to those looking for homes and offering employment to agricultural laborers, servants and the like in positions where they will have opportunity to save their earnings and in a few years become independent."

"I believe we are solving one of the great economic problems of the country in a peaceful and desirable solution of the negro problem and in assisting the general government to avoid many of the vexatious questions accompanying the great influx of foreigners which has become a menace to the large centers of population."
